Central UMC Campus Redevelopment Update

Central United Methodist Church, in partnership with Noah at Central and Full Circle Communities, is transforming our campus. The project includes:

Renovating the existing “church house” to create up to 40 units of Permanent Supportive Housing and updated spaces for church and legacy partner operations.

Constructing a new building over the parking lot with 75–85 units of affordable housing.

Project Highlights:

Capital Campaign: Noah at Central has partnered with Capital Campaign Pro to guide a major fundraising effort. A feasibility study will be conducted over the next 3–4 months, including interviews with potential funders.

Continuum of Care (CoC) Builds Grant Decision: We expect to hear soon about the \$7.5 million grant submitted for the Permanent Supportive Housing project.

Tax Credit Application: Our Low-Income Housing Tax Credit (LIHTC) application is scheduled for submission to Michigan State Housing Department Authority (MSHDA) by April 1, 2025, pending the CoC grant outcome.

Design Progress: Our team, including Proxy, Full Circle, LBBA Architects, and O’Brien Construction, is finalizing plans for the housing portion of the project to meet the April 1 LIHTC deadline. Design on church and legacy partner (Michigan Welfare Rights Organization, Noah at Central, Swords into Plowshares Peace Center & Art Gallery, United Tenant Council of Councils, and Westside Mothers) space will begin after April 1.
